

## CompTIA Security+

### Course Overview

CompTIA Security+ certification designates knowledgeable professionals in the field of security. It is one of the baseline IT security certifications for DoD 8570, as required for employment in a federal government or contractor role. Security+ is also one of the top IT certifications in job postings nationwide.

### Course Schedule and Format

Classes usually meet M-F 8 a.m.-4 p.m. Classes may be offered in a live online or in-person format. For current schedule, see: <https://ce.arizona.edu/classes/security>
